

7TH INTERNATIONAL PATIENT SAFETY CONFERENCE

1-2 DECEMBER 2017 || JW MARRIOTT MUMBAI SAHAR, MUMBAI, INDIA

The International Patient Safety Conference (IPSC), now in its seventh year, is an annual event to learn from the patient safety experts across the world. It has become a powerful platform where best practices and innovations in patient safety are shared. Besides mainstream presentations, panel discussions, debates, paper presentations and other well-knit sessions; desirous delegates would also get an opportunity to attend exclusively and expertly crafted hour-long Pre-Conference Webinars. This will provide the attendees a special learning from patient safety experts in various domains.

In line with the theme of 7th IPSC, following webinars are planned this year:

Date	Topic	Faculty	Recording link	Registration link
28 th July 2017	Leadership in Patient Safety: A Strategy for Transformation	Ms. Pritindira Sachdeva Lead, Apollo Quality Program and Special Initiatives	https://youtu.be/qgV-_JPaLzI	-
31 st August 2017	Essentials of Patient Safety: Stay Ready 24x7x365	Mr. Gaurav Loria Group Head Quality and Administration, Apollo Hospitals Group	-	COMING SOON
28 th September 2017	Risk Management in Hospitals – Back to Basics	Dr. Sanjay Dalsania GM Quality & Special Initiatives	-	-
27 th October 2017	Role of Nurses in Patient Safety – Impetus on Best Practices	Capt Usha Banerjee Group Nursing Director, Apollo Hospitals Group	-	-
28 th November 2017	Medication Management – Mindful Practice for Patient Safety	Dr. Sanjeev Sharma Clinical Pharmacologist	-	-

Don't miss the chance to learn and interact directly with patient safety experts at zero cost!!

PRECONFERENCE WORKSHOPS

30th November, 2017

7th International Patient Safety Conference 2017

JW Marriott Mumbai Sahar, Mumbai, India

Appreciate your interest in 7th IPSC's Pre-Conference Workshops

The International Patient Safety Conference (IPSC), now in its seventh year, is an annual event to learn from the patient safety experts across the world. It has become a powerful platform where best practices and innovations in patient safety are shared.

Besides mainstream presentations, panel discussions, debates, paper presentations and other well-knit sessions; desirous delegates would also get an opportunity to attend exclusively and expertly crafted half-day long *Pre-Conference Workshops* on a day prior to the main conference. This will provide the participants with hands-on practical learning from patient safety experts in various domains.

In line with the theme of 7th IPSC, following workshops are planned this year:

- DESIGN A RIGHT FACILITY
- DESIGN THE RIGHT INFECTION CONTROL PROGRAM
- RISK MANAGEMENT IN HOSPITALS
- CLINICAL AUDITS
- BEGIN YOUR ACCREDITATION JOURNEY: DRAFTING POLICIES & DESIGNING QUALITY PLAN

Don't miss the chance to meet, interact and learn directly from patient safety experts at a very nominal fee. Please visit **REGISTER NOW** for registration. Limited seats available. First Come First Served.

We are happy to extend our gratitude to all participants of Pre-Conference Workshops by consenting a discounted registration to 7th IPSC. Please visit **REGISTER NOW** for joint registration.
